Make A Difference

Live Event

Evangelism Training

This Live Event includes 4 hours of instruction based, in part, on Ron Hutchcraft's book, *A Life That Matters*.

Part 1 covers, "How do I recognize the opportunities that God gives me every day?"

Part 2 deals with the "fear" that stops us from sharing Christ and how to turn the conversation into a Spiritual one; and

Part 3 covers, "What do I say?"

I think we all have a desire to 'make a difference'. But what does it really mean to make a difference and what is the greatest positive difference we can possibly make?

Maybe you can relate with this statement, "Jesus Christ, my Savior, is truly most important to me, but why do I so rarely share Him with others?"

I'd like to personally invite you to discover the answers to these questions. I attended a 'MAD Live Event' (MAD = 'Make A Difference') a few years ago and the challenge from that day has stuck with me since then.

Don Sunshine is equipping people all around the country to carry out the words of Jesus when He said in Matthew 28, "go and make disciples...". Don has no seminary degree or pastoral experience... instead his background is in business, law enforcement and radio. He is simply a man who has a passion for people who need Jesus. I know I want that to be true of me, and I imagine you'd like that to be said of you too.

Please join me in attending Don Sunshine's 'MAD Live Event' on Saturday, February 4th at Richfield Mennonite Church from 10am-3pm. Don's upbeat and fun presentation has 3 parts:

How do I recognize the opportunities that God gives me every day?

How do I handle the 'fear' that stops me from sharing Christ?

What do I say?

The event is free and lunch will be provided. So what is stopping you?... Excellent!
Please call 717-694-3490 to register. See you there!

Winter Break At WGRC

By John Fellon

I have always loved both sports and writing so it seemed natural that sportswriting would be a possible career path for me. I graduated from Shikellamy High School in 2011 and subsequently decided to pursue a print journalism degree at Liberty University with a minor in Sports Management.

After my first semester of college, I was still interested in journalism and was looking for something beneficial to do over winter break. That was when God opened the door for me to help out at WGRC.

At first I was unsure exactly what writing had to with broadcasting, but before I knew it, I was enjoying waking up in the wee hours of the morning to come in to the station to write a script for the six o'clock sports. I was also given the opportunity to type up news stories from time to time and to tag along to cover Bucknell basketball games as well.

Everyone at WGRC was very accommodating and helpful and I am very grateful for the learning experience. It was cool to see firsthand how the station is operated and to be able to contribute myself. I don't know what God has planned for my life, but my time at WGRC has certainly been a blessing and it has opened my eyes to many possibilities for the future.
